

# Sycamore Tree Theatre

---

Dear friend,

Sycamore Tree Theatre is a nonprofit community theatre company based in the Bothell area and we have presented uplifting and positive productions since our founding in 2019. Our **all-volunteer** leadership, cast, and crew *provides quality theatrical entertainment by telling stories of faith, hope, and love while providing opportunities to grow in creativity and craft.*

Each year we produce a musical with a live orchestra and offer it free-of-charge to the community. Recent examples include [A Light in the Attic](#) in 2023 and [Unto the Hills](#) in 2022, both of which were original musicals written and composed right here in the Northwest.

Would you consider making a donation or offering a discount to help defray the costs of these productions?

As a 501(c)(3) charitable organization, anything you donate to Sycamore Tree Theatre is tax deductible.

Thank you very much! We are grateful for your support and helping us to bring quality theatre that brings hope and makes a difference.
